

# Functional Analysis: Applications to Complex Analysis and Partial Differential Equations

organized in honor of Dietmar Vogt on the occasion of his 70th birthday

## Second Announcement

Dear Colleague,

We are very happy that about 80 mathematicians have responded positively to our invitation and registered for the meeting.

Please note some important details:

### 1. Deadlines.

- **1 February 2012** – send via email the title and abstract of the proposed talk using template from the conference webpage
- **13 April 2012** – send via email arrival details and declare whether you wish to participate in an excursion to Poznań and a guided tour in Poznań

**2. Conference fee:** 820 PLN or 200 EUR includes full board, accommodation, social program and transfer Poznań–Będlewo–Poznań on 6.05 and 12.05. It can be paid upon arrival (either in cash – PLN or EUR – or by a standard credit card) or you can transfer it directly to the account:

#### EUR account details

**Account number:** PL 17 1060 0076 0000 3210 0014 1015

**SWIFT code:** BPHKPLPK

**Account holder:** Instytut Matematyczny PAN, Śniadeckich 8, 00-956 Warszawa

**Bank:** Bank BPH SA, Oddz. w Warszawie, Aleje Jerozolimskie 27, 00-508 Warszawa

#### PLN account details

**Account number:** 90 1060 0076 0000 3120 0014 0962

**Account holder:** Instytut Matematyczny PAN, Śniadeckich 8, 00-956 Warszawa

**Bank:** Bank BPH SA, Oddz. w Warszawie, Aleje Jerozolimskie 27, 00-508 Warszawa

**Very important:** As the reason of the transfer there must be given the name of the participant and dates of the conference **6–12.05.2012**. Please make sure that the **full cost** of the transfer (including costs of intermediary banks) will be covered by the participant. If you pay by transfer please **send us information** about that via e-mail.

**3. Lectures.** We plan to have up to 35 short, 20 min. talks and around 10 invited lectures of 50 min. each. We are grateful to the colleagues who proposed their contributions during the registration. We ask all speakers to send the title and the abstract of their talks until **1 February 2012**. Please send them via e-mail to the conference address:

`analytic@amu.edu.pl`

The scientific committee will probably have to choose among the proposals because of time constraints.

When preparing the abstract please use necessarily the template form available through the conference webpage:

<http://analytic.wmi.amu.edu.pl/>

In the lecture hall there are both a beamer and a blackboard for the speakers to use.

**4. Arrival.** Please note that the modern highway from the German border to Poznań is now open which makes travel by car from Germany much more convenient. For more on the way to arrive to Poznań by train or by plane, see *Practical Information* chapter on the conference webpage.

**5. Transfer Poznań–Będlewo–Poznań.** We will arrange a bus and minibuses to transfer the participants on the arrival day (6 May 2012) and on the departure day (12 May 2012).

On the arrival day we plan a bus around 18.00 from the vicinity of the main railway station – Poznań Główny. If necessary, we could arrange also some minibuses later or earlier, also from the Poznań Airport.

To prepare the schedule of the transfer please send us via e-mail to the conference address:

[analytic@amu.edu.pl](mailto:analytic@amu.edu.pl)

the details of your arrival (flight number and origin of the flight or train route and **scheduled arrival**) not later than **13 April 2012**. If you arrive directly at Będlewo, for instance, by car, please also **inform us** (with a rough estimate of the time of your arrival) by e-mail **until 13 April 2012** to the conference address.

We need this data in order to book a bus and to choose an optimal schedule. If you arrive early but nonetheless you prefer to take the main late afternoon bus at 18.00 please write that in the e-mail. We will send you your transfer schedule by e-mail approximately one week before the conference. The conference starts with supper on 6 May from 19.00 until 21.30.

**6. Excursion.** We plan to make Wednesday afternoon free of lectures. We propose three alternatives to enjoy this time:

- a) stay in Będlewo and take a walk in the nice countryside through forests and among lakes;
- b) a trip to Poznań by bus arranged by the organizers and a guided tour in English through the old city and principal sights of Poznań;
- c) take the same bus as in b) but take a walk in Poznań on your own or just stay in the Old Market square drinking beer in some open air beer garden.

All alternatives require no payment (except drinks!).

Those who choose options b) and c) should inform us beforehand via e-mail until **13 April 2012** since we have to book buses and arrange guides.

**7. Banquet.** On Thursday evening we plan a small banquet to celebrate the main occasion of the conference.

**8. Banach centre.** Please note that there is a webpage of the conference centre:

<http://www.impan.pl/EN/Bedlewo/index.html>

For relax the centre offers (with small payment) bicycles, sauna, gym, table tennis, billiards and bar.

Będlewo is a small place where you cannot exchange foreign currencies, so for small payments (for example for drinks in the palace bar in the evening) you will need some polish money. Please remember to change it before coming to Będlewo.

**9. Invitations.** Should you still need some official invitation with stamps, signatures etc. please let us know.

**10.** If by some unfortunate reason in the end you are unable to come, please let us know as soon as possible.

For more information see the conference webpage: <http://analytic.wmi.amu.edu.pl/>  
You can contact us via e-mail: [analytic@amu.edu.pl](mailto:analytic@amu.edu.pl)

Looking forward to seeing you in Będlewo,  
On behalf of the Organizing Committee  
*Paweł Domański*
